

Sophie the Lady and Mouse in the House project

'Friday'

Worksheet 9

..... Mouse in the House is wakening the Lady with the
.....

and proudly gives her a rolled up so as she can see

.....'... today in the way as if it were

a to watch another planet's rock.

She of the whole, which puts her in a

.....

So Sophie takes off her blue bathrobe to pull over her long, working robe.

Then whistling on her fingers she calls out for help

.....

Comes only a half,

Ladybugs, butterflies and dragonflies arrive as well, they are to help her.

They to work, others chirp flying around the orchard and astonishing
birds.

They all load willow baskets with juicy fruits,
everyone , everything they can produce.

So apples, pears, plums, raspberries, cherries, blackberries,
apricots, peaches and nuts fill up the baskets; insects know the Lady
and is planning something, no one is going to cry.

There is a giant in Sophie's vast garden
heated by fire. The biggest fire in the whole

She is cooking fruit soup, it seems it's for a larger group.

She uses a , all the helpers watch her cook resting on the
..... ,

to check if every fruit is enough, not, not covered in,
the soup must be-..... stuff.
